

Metsimaholo Local Municipality

About Us

Metsimaholo Local Municipality, like all other municipalities in South Africa, has to use Integrated Development Planning as a method to plan future development in its areas. Integrated Development Planning is an approach to local government planning that was developed with an objective to ensure developmental municipalities and also to overcome the poor planning arrangements of the past.

Our Vision

'An innovative and excellent Municipality that facilitate sustainable development through quality service delivery and inclusive economic growth'

Our Mission

'Performing Municipality that strives for Economic development and Sustainable service delivery through sound, professional, cooperative governance and public participation principles'
