

transport

Department:
Transport
Province of KwaZulu-Natal

Strategic Vision

The Department's vision is: "Prosperity through a smart transportation system"
This means that as a Department we connect the Province, the country, Africa and the World, through a globally competitive and sustainable transportation system that drives socioeconomic growth and improves the quality of life of our people.

Mission Statement

The Department's mission is: To facilitate the mobility of people and goods by optimising the usage of all modes of transport through an efficient, reliable, integrated, safe, universally accessible and environmentally friendly transportation system.

Core Functions

Turning the vision of the Department into reality can only be achieved by focusing the attention and energy of all employees and relevant stakeholders on the performance of its core functions, namely: Construct, maintain and repair the provincial road network
